

Dear Neighbors & Friends

Look,

Enjoy and

Remember

those wonderful days  
gone by but not  
completely forgotten.

If you have photos  
that you would like  
to share please insert  
them and give the  
year if possible.

Always

Marianne

Original album was  
collected by Marjorie  
Sutherland. All of her  
pictures plus some  
additional ones have  
been placed in this  
new album by  
Virginia Miller, historian,  
in March 1949.

Please enjoy looking  
through these pages, but  
do not remove from the  
club house. Thank you.
