BINGO

This past week we held our last game of the season. We sure had lots of fun this year and I thank all the people who helped me for setting up and calling, Bill Diehl, Kenny Eul and Terry Green. We had some of the same people from the park who came every week and about 6-7 others who joined us from Oyster Bay. I hope that next year many of you will try and join us as I am sure you would like it. You know the old saying, "Try it you'll like it." I think it is true. So again thank you to all who came and to all my helpers.

EASTER PRAYER

Dear Lord, we offer You our thanks
Upon this Easter day.
For the miracles You have wrought
And blessing You send our way.
We thank You for our blossoming world,
For eyes with which to see,
Created by Your blessed hands...
Our Lord of humility.
And everyplace where we may go,
In all we say and do,
Let our deeds be such that they
Reflect the spirit of You!

LADIES LUNCH BUNCH

Thirty five ladies gathered at the Gulf Shores Restaurant for the March Ladies Lunch. The room was painted in bright Florida colors, the view was awesome, most were happy with the food BUT the noise was horrible, in fact worse than that. I believe other choices I made have been much better, but it was a day spent with friends and neighbors, so not a complete "bust." April's lunch will be announced at the Civic Meeting and will be posted on the bulletin board.

SO watch for that notice.

LETTER FROM THE EDITORS

As the month of March comes to a close, we see many of our friends and neighbors packing and preparing to make the return trip back to their northern homes. The call they feel is saying, "Easter will be soon, spring will be hopefully close behind, grandkids are in need of hugs and the tax man is waiting." So boats will be cleaned and pulled, shutters go down and once again we shall wish our Florida friends and neighbors a safe journey, a good summer and "we'll see ya" as there are no good by's here.

We've had a good season, breakfasts, wonderful parties, a very successful bazaar. The BBQ chicken went well, and we had an ice cream social, hey what more could you ask for? Well, we have bingo, golf, water aerobics, line dancing, cards and more cards.

Our park looks great with the mulch, our roads being resurfaced and the back 40 is about complete. SO- as you're preparing to head north and you find some can goods in your cupboards, remember Harry Chapin and the box in the clubhouse. Stay safe and well and "we'll see ya."

THANK YOU

Judy Dow and Diane Taylor would like to extend a heartfelt "thank you", to all who contributed towards the beautiful flower arrangement they received in remembrance of their mother, June Kelly. It was used at their memorial service that was held at the clubhouse and they so appreciated it besides the thought. Thank You to each of you.

ICE CREAM SOCIAL

I believe that this is the 3rd year for the Ice Cream Social that was held this past month at the clubhouse. It was a sweet tooth's dream. The menu consisted of all things we crave, malts, shakes, banana splits and sundae's, with topping of cherries, nuts, whipped cream, you name it. You could enjoy one, even two if you wished and this was served by our very own ice cream soda jerks. I think that is the name they used in the "50's. Our thanks to Judy and Jim Melson, Steve and Mary Gumm and Tana Gerwin, our ice cream queen. Thank you for this wonderful, delicious afternoon.

HARRY CHAPIN

As we gather for this Easter Sunday please think of all those who maybe will not be enjoying the dinner we shall have. A can or two, a small check anything will help those less fortunate. If you are heading north, any item you wish not to leave in your cupboards can also be donated. Do not worry about outdated items, Harry Chapin accepts them. Thank you and God bless.

2013 Chicken B-B-Q New Menu, new set-up, same old gang.

The meal was praised
by many – a few of the

fatter boneless breasts seemed a little rare to a few folks – but most seemed to think that our head Chef–de–Poulets, Tom Leonard, outdid himself. A significant group of rowdies from the Men’s Club assisted (harassed) him as he did his magic.

Don Vance and Gene Tatge flipped the birds; Joe Wilaby was the biggest bast, uh baster. Meanwhile, back at the club-house, the Wonder Women of PCC once again, as they do every year, were rescuing the guys from their usual Men’s Club missteps. It is risky to name names, as other folks who worked just as hard may get overlooked, but Jan Schwiesthal, Gloria Longo, Carol Lenz and Marcie Arendt were stalwarts.

It was Rick Hobot, our BBQ chairman, who once again honchoed the affair; got the chickens, hired the “band”, organized the planning and oversaw the preparations; Mary Ann Wiesenauer did much of the publicity, publishing and purchasing, and was teamed with Nancy Matter in selling tickets and serving. Sue Hobot was the “Queen of Beans” and they were a delicious treat.

And thanks also to Pete Longo and Bill Arendt for their super salesmanship with the 50/50 raffle.

The sun came out for us in the morning and so did a chilling wind about 3 pm, but by then those of us who were enjoying Chucky from Kentucky’s performance, didn’t much care. It was a grand affair!

District 2 put on the Pancake Breakfast on March 16th and had a great time cooking/servicing etc. Turnout was only 71 but we still had fun.

THANK YOU, FRIENDS

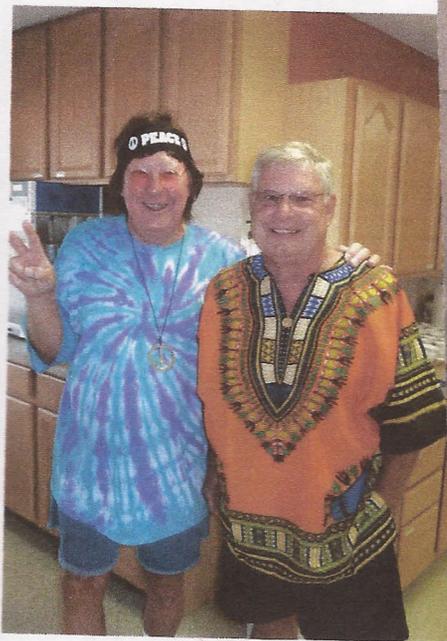

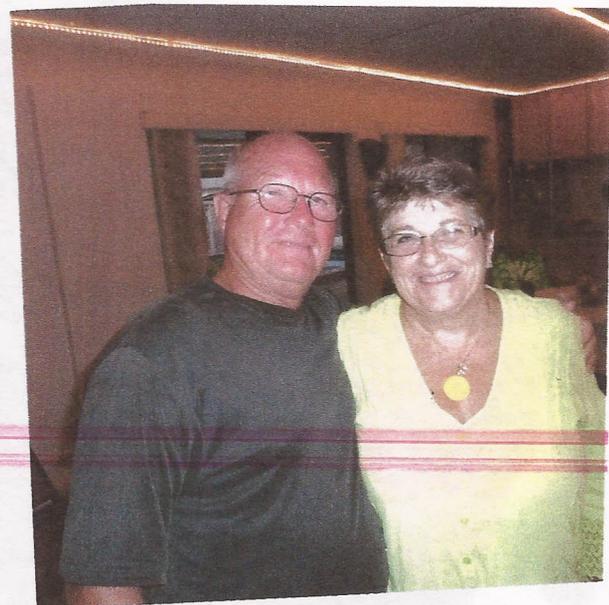

My heartfelt appreciation to all my friends and neighbors who sent cards, called and/or visited me during my recent ailment. The doctors assure me I will return to full health, so you will have to tolerate my perverted sense of humor for a little longer.

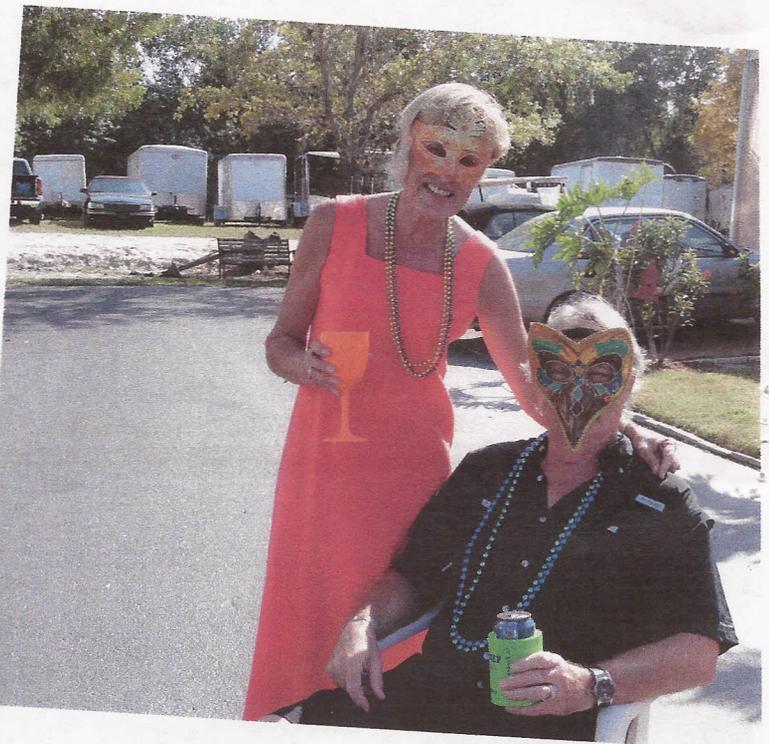

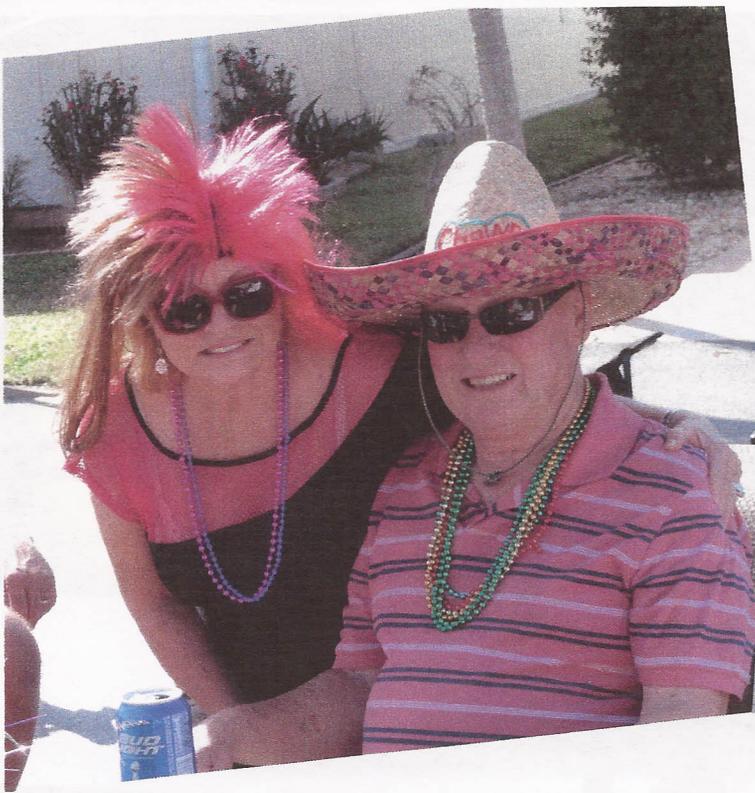

Most sincerely ^W^

Remember
the
60's

***New residents, Bob & Joyce Miles of Garcia Way,
had a street party, to get to know their neighbors in PCC.***

With a Mardi Gras theme, there were games, prizes, food, drinks and fun for everyone.

Recognize anyone?
