### FIRST ASSEMBLY KEYBOARD CHRISTMAS FESTIVAL

Thirty-six people from Port Carlos Cove and Gulf Cove enjoyed a wonderful Christmas Concert featuring: 100 Choir Members, Lee University Choir, Pastor Betzer singing several favorite Christmas Carols, four baby grand pianos and young Noah playing the piano and receiving standing ovations.

The evening ended at Mimi's with a lot of good conversation and laughter while enjoying a great dinner. What a wonderful way to start the Christmas Season!!

Our resident kayakers on a beautiful Florida day.

### THE MEN'S CLUB

I can't hardly believe another year has just about come and gone. It has been a good year in the Park because we did not have any storms or hurricanes, so the park looks great. This will be my last article for this year, so I want to wish everyone a MERRY CHRISTMAS and a very HAPPY NEW YEAR. We've had two meeting this month and both very well attended.

There has not been a lot to do or talk about, but it's nice to get together and find out what everyone is doing and also to just sit around and shoot the bull. We did put mulch down all around the park and also put the Christmas decorations up. Plans are now being made for the Bazaar, January 17 and the Chicken fee on March 7, so keep these dates in mind.

I'd like to ask everyone who has things for the Bazaar, don't just take and put it on the steps at the trailer.

If you do, please call me and let me know. I don't go back to the trailer every day and if it rains or we have real high humidity, the stuff will be ruined.

If anyone has a project that you think the men's club might want to tackle, please talk to me and I'll see what we can do. This does not mean personal things around your house.

You will have to hire that done.

THANK YOU, KEN EUL

## MERRY CHRISTMAS AND HAPPY NEW YEAR!

I hope everyone has a healthy and prosperous  
New Year.

The Civic Association meets the first Monday of  
the month at 7 p.m. In addition, there are many  
different activities planned for 2015.

At the January 5th meeting, we will have a guest  
speaker who will be Dr. Tim Harcourt, a Board

Certified Chiropractic Orthopedist, who has  
practiced over 26 years focusing his practice on auto  
and sports injury condition care. Dr. Harcourt  
spoke at the Civic Association meeting in April  
2014, but only did a shortened version of his  
presentation.

The Port Carlos Cove and Main Street Bazaar will  
be held on January 17th with Bill Arendt and Sue  
Hobot co-chairs. If anyone would like to volunteer  
to help at the Bazaar, please contact Sue Hobot  
(239) 765-1244.

District 2's party will be on January 24th. Save the  
date, as type of party has not been decided yet.  
Please watch the bulletin board for park activities.

## LETTER FROM THE EDITOR

In the North Country, the ground is frozen,  
probably covered with ice and snow. Santa will soon be  
delivering his sleigh full of toys for good boys and girls.  
In Florida, things are a bit different. Yes, Santa will still  
be arriving, but our beaches are sandy and full of gulls  
and wading birds, no snow. The Gulf is blue, and the sun  
is shining and all is beautiful and warm. We still  
decorate our homes with lights, red, blue and green, and  
even some that twinkle. Our Palm trees are wrapped with  
lights and line our street. After all Christmas is  
everywhere.

So as the season approaches, whether you are in  
your northern homes with family, and in the ice and  
snow. Or here in Florida sunning on the beach, maybe  
kayaking or using your boat, may each of us celebrate the  
birth of the Christ child, reflect on those who are no  
longer with us, enjoy the cookies we've baked, or opening  
the cards from near and far. Remember, to count your  
blessings and WE wish you a Merry Christmas, a New  
Year of Peace for our country, Hope for good health and  
Love to our fellow man. Happy New Year!

## LADIES LUNCH BUNCH

Our women once again enjoyed going to Christof's for  
our November lunch. A smaller group however, our day  
was so enjoyable. Our food, our server, the atmosphere,  
all was wonderful. Our December's lunch will be at the  
University Grill on Summerlin and Cypress Lake. Mark  
your calendars for January 19<sup>th</sup>, a Monday at 11:30. The  
sign up sheet will be in the clubhouse. Hope to see you.

## HARRY CHAPIN FOOD BANK

Before Thanksgiving 25 pounds of food was delivered  
to the food bank. I hope by the first of the year that our  
blue container will again be full. Remember the holiday  
is a hard time for those in need, they too, want a Merry  
Christmas for their children and loved one. Thank you  
for those who donated canned goods and for the checks. I  
also want to thank the two women who donated all those  
little soaps, shampoos & conditioners that you find in the  
hotels and motels and casinos. They are used at many of  
the churches that feed and have shower facilities.  
However, I think they weighed in at about 25 pounds  
themselves. Thank you and know that all is much  
appreciated. God bless.

## A MINNESOTA POEM

It's winter in Minnesota and the gentle breezes blow  
Seventy miles an hour at thirty five below  
Oh, how I love Minnesota

When the snows up to your butt, You take a breath of  
winter air and your nose gets frozen shut  
Yes, the weather here is wonderful so I guess I'll hang  
around

I could never leave Minnesota cause I'm frozen to the  
ground.

## THANKSGIVING

63 residents and friends enjoyed this years Thanksgiving feast at the clubhouse. Cocktails and visiting began at 12:30 and dinner was served buffet style at 1:45pm. The Civic Association graciously provided five turkeys and two hams which were cooked by Ceil Moore, Rita Plante, Barb Lange, Judy Melson, Nancy Wilaby, and Mary Gumm, and Jane Lozier carved the hams. Everyone brought great side dishes, and many great volunteers made set-up and clean-up easy. No one went home hungry and many are already looking forward to next year's feast. Thanks also for remembering the Harry Chapin food box.

Thank You Bill & Sherrill  
for the flowers

This guy knows how to catch grouper.
