Jim Fredericks ~ 100 Blackbeard Way
May 23rd

Jim Fredericks moved to PCC in March 2010 from Vicksburg, MI. Down the block lived his sister Kathy and husband Mike Becker. Jim was a gentleman, a kind man and one highly respected by many. He lost his son shortly before his passing which broke his heart. Jim left us to soon and suddenly. He is survived by 5 children, 10 grandchildren and sister Kathy and husband Mike Becker.
Rest in Peace Jim.

Craig Marshall ~ 81 Blackbeard Way
September 25th

Craig Marshall was a retired Captain in the Richmond Hill Fire Department in Canada. Craig loved an occasional martini, they loved their island that they lived on in Canada. He enjoyed riding his bike, wearing his cowboy hat and going to Bonita Bill's.

He drove buses for celebrities and had many stories. He even drove up to Duluth, MN to see the Motor Coach Museum. Another love was his model trains. Craig passed after a 3 year battle with cancer. He is survived by wife Muriel and 2 stepsons.
Rest in Peace Craig".

Walt (Babe) Michalak
July 15th

Wally Michalak with wife Verna moved into PPC in January 2004 from Pennsylvania. Wally fought a lengthy battle with health related issues brought on by diabetes. He enjoyed playing cards and was a life time member of the McDonald rod and gun club. He loved to play golf and could be seen riding his 3 wheeler bike getting some exercise and fresh air. He was a fighter but passed leaving his wife Verna, 3 sons, 1 daughter, 7 grandchildren and 6 great-grandchildren. Rest in Peace Wally.

Dennis Forster ~ 56 Doubloon Way

October 1st

Denny Forster and wife Nancy purchased 56 Doubloon in March 1998. He served in the US Army Reserves, then working for the Faribault Police Department for 5 years and then became a MN state trooper till retirement. Denny enjoyed coffee time with friends, fishing, family and being a "coach for the Vikings while sitting in his chair."

I never saw the man without a tooth pick in his mouth, a habit I bet he picked up while in his car. Denny passed suddenly. He is survived by wife

Nancy, 2 children, 5 grandchildren, 8 great-grandchildren, Rest in Peace, Denny.

Carol Lenz ~ October 27nd

Carol Lenz with husband Paul purchased in PCC in April 2003 moving from Willmar, MN. Carol was a nurse working at Rice Memorial Hospital and the Christian Nursing Home. They loved their Florida home, only to loose it to Charley in 2004. They loved to travel, enjoyed riding their bikes all over our island and Sanibel too. Breakfast at Bonita Bill's with the Marshalls' or reading a good book, to enjoying a glass of wine, Carol loved to do it all. She had a strong faith in God and her church. And a love of family. Carol passed away after a battle with Parkinson.. She is survived by husband Paul of 59 years, daughter Kari, Lori and son Brad, 4 grandchildren and 4 great-grandsons. Rest in Peace Sweet Lady, you will be missed.

Violet Zepp ~ 33 Doubloon Way

November 3rd

Vi and Roland came to Port Carlos Cove about 1993. They were the north-south couple, as Roland used to call her, the Virginia hillbilly and he, the northern city slicker. They were married 52 years, had 3 children, Lori, Lisa and Lance. Four grandchildren, and three great grandchildren rounded out their family. Vi worked as a waitress, then moving to Martin's which merged later and became Lockheed Martin. Then she worked at the A & P as deli manger for 30 years. She played softball for the Martin Boomerett's and later Bingo became her love. Vi has been in poor health for a long time while Roland was a loving and caring caretaker. Rest in Peace Vi.

HARRY CHAPIN

Welcome to all of you who have returned. To update you, a load of food stuff was delivered to Harry Chapin in April, 120 pounds. Before I headed north another delivery was taken to Chapel by the Sea. It took 2 of us 3 trips to get it there. I went down to the clubhouse and took all that was left from the breakfast and added it to our bucket. It included orange juice, eggs, sausage etc, it was all good and usable. They thanked us over and over. So, it was a good closing for another winter and season in PCC. Thank you for all you gave, money, can goods or personal items. Thank you again to Michelle Archer for a beautiful job on our "collection" container.

So, as the 2016-2017 season begins, please remember those who are less fortunate and give. No matter how much, how small, one can or two, it all adds up and helps.

Welcome Back and God Bless.

LETTER FROM THE EDITORS

Once again the park is starting to come alive. And we have been blessed with no hurricanes this summer. The snow birds are landing here daily, vans pulling in loaded to the hilt, motor homes too, boats being put into the water, shutters coming up or off, Tuesday cocktail hour restarting, lots of "hi's" and "how was your summer". As with every year we are missing some of our residents when we return.

A few have moved like the Wiesenauers or Dave Houck. They are where they need to be and we shall miss them. Others have moved on to a better place and they are at Peace.

Some were friends, others neighbors but everyone was a part of PCC, part of our community. So our thoughts and prayers go out to their loved ones, Wally Michalak, Jim Frederick, Craig Marshall, Denny Forster and Carol Lenz. We must remember that life is short, each day a blessing and we do not know how many days we have, so be kind to each other, enjoy each day, the sunshine, the blue skies, the gulf breezes and this winter season.

Welcome the 2016-2017

## A Thanksgiving Prayer

Oh, God, when I have food,  
help me to remember the hungry;  
When I have work, help me  
to remember the jobless;  
When I have a warm home,  
help me to remember the homeless;  
When I am without pain,  
help me to remember those who suffer;  
And remembering, help me  
to destroy my complacency  
and bestir my compassion.  
Make me concerned enough  
to help, by word and deed,  
those who cry out  
for what we take for granted.

October 20, 2016

Dear Friends and Neighbours,

First of all let me say that P.C.C. has the nicest and most caring people. I've received many e-mails, letters, cards and poems and everyone of them touched my heart and comforted me at this most difficult time.

The day after Craig's memorial service our north friends helped me put up boats and close the Island down for the winter. I was so grateful for their help and everything got done. Craig would be satisfied too and happy for their support.

If you were standing in front of me right now I would give you all hugs of sincere thanks for your understanding and compassion.

Missing you all and Craig more,

Muriel Marshall

PCC MIDWEST 2016 REUNION

We had the Midwest Reunion on August 6th and 7th at our house in Vicksburg, Michigan. The weather was great and the food and company even better. There were 23 of us on Saturday and 8 returned on Sunday for brunch.

As well as folks from Michigan, Ohio and Indiana, we had invaders from Minnesota. What troopers they were to drive that far for a good time.

Some played bean bag but mostly there was just eating and drinking and laughter. At 11:00 pm those of us still partying saw the International Space Station pass over. What a treat.

Thanks, Chris.

Mike and Kathy Becker

Welcome

Another new owner for PCC, make welcome Dan and Diane Denault. They are from Salem, NH and have purchased 120 Blackbeard Way. They are familiar with SW Florida as they have rented on the beach. They both are still working but hope to retire this next year. They have 3 children, Rachael, Lauren and Michelle plus 3 grandchildren. They enjoy biking, walking, boating, fishing and wine making. PCC welcomes the Denault's.

Long time residents Mary Ann and Bob Wiesenauer moved to Dunedin, FL last spring to be closer to their daughter. Judy and Jim Melson, and Mary and Steve Gumm decided it was time for a trip to their new digs, and headed up for the week-end a few weeks ago. They enjoy having company, and were as happy to see old friends as we were to see them. They look great and have made many new friends playing bridge. Bob has a small work shop area on one of their two enclosed balconies and continues to build model planes and sailboats. Mary Ann still knits and is helping their daughter with the computer aspects of her salon business. Their building is beautiful, as is Dunedin, and located just blocks from the beach and blocks from beautiful Tarpon Springs, just North of St. Pete.

They sent a hello and hugs to PCC members.

MEN'S CLUB

Welcome back snowbirds, hope your summer went well and all of you are ready for a great winter.

As everyone knows and can see, our park is in great shape. There are some projects to be completed that will make it even better that will be done shortly.

At the time of this writing we are still planing on having the Bazaar, the Chicken feed and decorating the park for Christmas.

Please volunteer to help make these items a success.

The Men's club meets the first and third Mondays of the month during the winter at 9 AM in the clubhouse. Coffee and doughnuts are served. All gentlemen are invited to come to these meetings. We plan and discuss projects that the Men's club might want to do that saves the park money and keeps our monthly dues from raising. If there are any projects that you think we might want to tackle, please feel free to get them to me.

Thank You and have a great winter.
